## Have a Very Swerve Christmas

Nothing says “unique, carefully selected gift” like a unique, carefully selected gift. It demonstrates that you, the canny shopper, have painstakingly combed the city to find Just The Thing for the stylish, discerning and impossible-to-buy-for person on your holiday list. Don't have the time or inclination? Our savvy stylist has done the legwork for you and reined in her suggestions to under \$200.

*Triple Flip was thrilled to be featured in the Calgary Herald's Swerve 'must-have' list!*
